For:

- ◆ **Decent Salary Adjustment**, overdue since 2008
- ◆ **Proper Governance**; with unquestionable accountability and transparency; therefore:
 1. **LEGISLATIVE REFORM**- inclusive of:
 - ◆ A properly constituted **Integrity Commission** with an established Secretariat, in accordance with Legislation.
 - ◆ **Social Security Reform**: need to address/revisit the:
 - "To and From" work coverage for ALL Belizean Workers.
 - Definition of "accident" in the Social Security Act and revisit the listing of what are considered accidents.
 - Listing of prescribed illnesses to expand and include new coverage e.g. throat ailments caused by chalk dust.
 - ◆ **Income Tax Reform**: revisiting the threshold and deductibles
 - ◆ Enactment of the **Accountability in Public Life** Legislation buffered by Public Accounts Committee (PAC)
 - ◆ Restructured Public Accounts Committee (PAC) in line with proposed structure from the Unions.
 - ◆ A fixed Commencement Date for signing the **Thirteenth Senator Legislation**, that awaits the Prime Minister's signing for the Legislation to come into Realization.
 2. A **FULL INVESTIGATION** into the Immigration and Nationality Scandal—called for not only by BNTU, since October 2013 but also by ALL Unions via membership in the NTUCB; which has also sounded this call.
