Teachers' Day 2015 Greetings From the National President

Members, parents, students, friends, Managers and Ministry of Education Officials, I invite you to join our Council of Management and our National Executive in wishing ALL OUR TEACHERS – A HAPPY TEACHERS' DAY 2015.

Let us celebrate the teachers of our country for the many years and countless hours of dedicated service that they have and continue to provide in our classrooms.

Our BNTU makes the call on all stakeholders in Education to give the respect and recognition due to our Teachers, who mould the minds and help to make our future generation (our students) more productive by instilling positive attitudes and values, respect for law and order as well as Love of country.

The BNTU urges all our Teachers to be the best that they can be in all that they do including their Professional Development.

**The UNION MAKES US STRONG
BNTU – Promoting Equity and Social Justice FOR ALL**

**HAPPY TEACHERS' DAY
SOLIDARITY FOREVER**

Luke Palacio
National President

May 13, 2015

Motto: Service, Security, Success
